Business Overview

Drone Aviation Holding Corp. ("Drone Aviation," "we," "us," or the "Company") is a Nevada corporation formed on April 17, 2014 as a wholly owned subsidiary of MacroSolve, Inc., an Oklahoma corporation ("MacroSolve"). Effective April 30, 2014, MacroSolve merged with and into Drone Aviation, with Drone Aviation as the surviving entity, for purposes of moving the Company's state of incorporation from Oklahoma to Nevada (the "Redomestication"). Any references to "Drone Aviation," "we," "us," or the "Company" or any similar references relating to periods before the Redomestication shall be construed as references to MacroSolve, being the previous parent company of Drone Aviation.

We are focused on the business of the design, development, marketing and sale of lighter-than air ("LTA") advanced aerostats and land-based intelligence, surveillance and reconnaissance ("ISR") solutions and tethered drones. The Company, through its wholly owned subsidiary, Lighter Than Air Systems Corp. ("LTAS"), which was acquired on June 3, 2014 upon consummation of a Share Exchange with Drone Aviation Corp., a wholly-owned subsidiary which was merged into Drone Aviation on March 26, 2015, is focused on the development of a series of tethered aerostats known as the Blimp in a Box® ("BiB") system and the Winch Aerostat Small Platform ("WASP") as well as certain other tethered drone products. The BiB system is a lighter-than-air, compact aerostat platform either self-contained on a trailer that can be towed by an MATV or MRAP or other standard vehicle, or it can operate from the bed of a pickup truck. It is designed to provide semi-persistent, mobile, real-time day/night high definition footage for "ISR", detection of improvised explosive devices ("IEDs"), border security and other governmental and civilian uses. The WASP is a mobile, tactical-sized aerostat capable of carrying a variety of payloads in support of military operations. Both the BiB and the WASP can also be utilized for disaster response missions, by supporting two-way and cellular communications, by acting as a repeater or providing wireless networking.

Recent Transactions

On January 6, 2015, the Company announced that it had fulfilled a military order, shipping a follow-on order of aerial and ground-based equipment to Eglin Air Force Base in Florida.

Further, on April 2, 2015, the Company announced that the Watt-200 and Watt-300 models would be unveiled at the Association for Unmanned Vehicle Systems International (AUVSI) Unmanned Systems 2015 Conference and Tradeshow in Atlanta, GA on May 4-7, 2015.

On March 12, 2015, the Company announced that it had been awarded a contract from NASA Langley Research Center to provide aerial and ground based equipment for use in a new research program at the center with delivery expected in the second quarter of 2015.

The Company successfully demonstrated how currently deployed U.S. Army ground monitors and mobile devices can access secure wireless video footage from the Blimp in a Box (BiB) mobile ISR aerostat systems owned and operated by the U.S. Department of Defense.

Results of Operations

Quarter Ended March 31, 2015 compared to Quarter Ended March 31, 2014

Net Revenues: Net revenues of \$15,000 for the quarter ended March 31, 2015 decreased \$214,000 or 93% from \$229,000 for the same period in 2014. Sources of revenue were derived primarily from small aerostat products and accessories while the Company focused resources on continued development of the WATT product line.

Cost of Goods Sold and Gross Profit: Cost of goods sold of \$8,000 for the quarter ended March 31, 2015 decreased \$131,000 or 94% from \$139,000 for the same period in 2014. Costs include material, parts and labor associated with the sale of small aerostats products and accessories. The resulting gross profit for the quarter ended March 31, 2015 of \$7,000 was a decrease from the \$90,000 gross profit for the same quarter of 2014. Gross profit margins were 46.6% and 39.3% for the quarters ended March 31, 2015 and 2014, respectively.

Operating Expenses: Operating expenses primarily consist of general and administrative expenses. General and administrative expenses increased \$851,000 or 946%, to \$941,000 in the quarter ended March 31, 2015 from \$90,000 for the same period in 2014. The merger and acquisition activities brought a new management team, board of directors and strategic advisors to the Company for the purpose of increasing business opportunities and shareholder value. Approximately \$179,000 of the increase in operating expenses is related to salaries and benefits, \$47,000 of the increase is related to investor relations, \$319,000 of the increase is related to director and strategic advisory board compensation of which \$308,500 was non-cash stock compensation, \$189,000 of the increase is related to research and development, \$67,000 of the increase is related to legal, audit and accounting fees for SEC filings, and \$12,000 of the increase is related to amortization of intangibles.

Income (Loss) from Operations: Loss from operations for the quarter ended March 31, 2015 increased \$934,000 or 100%, to \$934,000 from income from operations of \$412 in 2014, primarily due to factors discussed above.

Other Income and Expense: Total other expenses of \$133 decreased \$368 in the first quarter of 2015 from \$501 in 2014. This decrease is primarily due to less interest charged on credit cards.

Net Loss: Net loss increased \$934,000 or 100% to \$934,000 for the first quarter of 2015 from net loss of \$89 in 2014. This increased loss is due to factors discussed above.

Liquidity and Capital Resources

As of March 31, 2015, the Company had total current assets of \$917,000 and total current liabilities of \$239,000 for working capital of \$678,000. As of March 31, 2015, the Company had cash and cash equivalents of \$794,000 and an accumulated deficit of \$(3,098,000).

We have historically financed our operations through operating revenues and sales of equity securities to accredited investors. While we currently believe we have sufficient capital and access to capital to continue our operations for the next 12 months, we may incur significant expenses in implementing our growth plan. We could deplete our cash and working capital more rapidly than expected, which could result in our need to curtail our operations.

The net loss of approximately (\$934,000) for the first three months of 2015 was \$934,000 greater than the same period of 2014, which was approximately \$89 or breakeven. The Company recognized approximately \$308,500 in shares of common stock issued to a third party for services in the first quarter of 2015 and had a decrease in accounts receivable of approximately \$156,000 in the first quarter of 2015 compared to the first quarter of 2014.

Investing Activities:

Net cash used in investing activities during the three months ended March 31, 2015 was approximately \$13,000 which was related to the purchase of furniture and equipment. The Company did not have investing activities in the first quarter of 2014.

Off-Balance Sheet Arrangements

We do not have any off balance sheet arrangements that are reasonably likely to have a current or future effect on our financial condition, revenues, and results of operations, liquidity or capital expenditures.

Critical Accounting Policies and Estimates

The Company's accounting policies are more fully described in Note 1 of the Financial Statements included in the Annual Report on Form 10-k for the year ended December 31, 2014 filed with the Securities and Exchange Commission on March 31, 2015. As disclosed in Note 1, the preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions about future events that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ significantly from those estimates. The Company believes that the following discussion addresses the Company's most critical accounting policies, which are those that are most important to the portrayal of the Company's financial condition and results of operations and require management's most difficult, subjective and complex judgments.

Accounts Receivable and Credit Policies:

Trade accounts receivable consist of amounts due from the sale of tethered aerostats, accessories, spare parts and delivery and installation of aerostats. Accounts receivable are uncollateralized customer obligations due under normal trade terms requiring payment within 30 days of receipt of the invoice. The Company provides an allowance for doubtful accounts equal to the estimated uncollectible amounts based on historical collection experience and a review of the current status of trade accounts receivable.

Derivative Financial Instruments:

The Company evaluates its financial instruments to determine if such instruments are derivatives or contain features that qualify as embedded derivatives. For derivative financial instruments that are accounted for as liabilities, the derivative instrument is initially recorded at its fair value and is then re-valued at each reporting date, with changes in the fair value reported in the statements of operations. For stock-based derivative financial instruments, the Company uses a Black-Scholes option pricing model, in accordance with ASC 815-15 "Derivative and Hedging" to value the derivative instruments at inception and on subsequent valuation dates. The classification of derivative instruments, including whether such instruments should be recorded as liabilities or as equity, is evaluated at the end of each reporting period. Derivative instrument liabilities are classified in the balance sheet as current or non-current based on whether or not net-cash settlement of the derivative instrument could be required within 12 months of the balance sheet date.

Revenue Recognition and Unearned Income:

Revenues from the sale of products and services are recognized upon delivery.

Recently Issued Accounting Pronouncements

Management does not believe that any recently issued, but not effective, accounting standards, if currently adopted, would have a material effect on the Company's financial statements.

ITEM 4 - CONTROLS AND PROCEDURES

a) Evaluation of disclosure controls and procedures.

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, evaluated the effectiveness of our disclosure controls and procedures pursuant to Rule 13a-15 under the Securities Exchange Act of 1934 as of the end of the period covered by this Quarterly Report on Form 10-Q. In designing and evaluating the disclosure controls and procedures, management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives. In addition, the design of disclosure controls and procedures must reflect the fact that there are resource constraints and that management is required to apply its judgment in evaluating the benefits of possible controls and procedures relative to their costs.

Based on our evaluation, our Chief Executive Officer and Chief Financial Officer concluded that, as of March 31, 2015, our disclosure controls and procedures are designed at a reasonable assurance level and are effective to provide reasonable assurance that information we are required to disclose in reports that we file or submit under the Exchange Act is recorded, processed, summarized, and reported within the time periods specified in SEC rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosure.

(b) Changes in internal control over financial reporting.

There were no changes in our internal control over financial reporting that occurred during the quarter ended March 31, 2015 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

PART II - OTHER INFORMATION

Item 1. Legal Proceedings

From time to time, we may become involved in various lawsuits and legal proceedings which arise in the ordinary course of business. Except as discussed below, we are not currently aware of any such legal proceedings or claims that we believe will have, individually or in the aggregate, a material adverse effect on our business, financial condition or operating results.

Case No. 612-CV-46-MHS-KNM

As a result of the USPTO Office Action, on March 31, 2014, the Company dismissed its patent enforcement case against Newegg Inc. with prejudice. On April 6, 2015, the court denied the motion by Newegg for recovery of defendant legal fees of approximately \$400,000 from the Company in the matter of MacroSolve, Inc. v Newegg Inc. (U.S.D.C. E.D. TX) case No. 6:12-CV-46-MHS-KNM. On April 24, 2015, Newegg filed a Notice of Appeal with the United States Court of Appeals for the Federal Circuit. Should the Company not prevail in that matter, the judgment would be borne by the former MacroSolve directors who sold their loans on April 17, 2014.

Other than as set forth above, there are no material claims, actions, suits, proceedings, inquiries, labor disputes or investigations pending.

Item 1A. Risk Factors

There have been no changes to the risk factors set forth in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

Stock issuances and redemptions

The Company issued an aggregate of 8,630,000 shares of common stock during the first quarter pursuant to conversions of an aggregate of 86,300 shares of Series A Preferred Stock.

The securities referenced above were offered and sold solely to “accredited investors” in reliance on the exemption from registration afforded by Rule 506 of Regulation D and/or Section 4(a)(2) of the Securities Act as a transaction by an issuer not involving a public offering.

NOW, THEREFORE, the parties mutually agree as follows:

1. Employment. The Corporation hereby employs the Employee and the Employee hereby accepts employment as an Employee of the Corporation, subject to the terms and conditions set forth in this Agreement.

2. Duties. The Employee shall serve as the **Chief Executive Officer** of the Corporation, with such duties, responsibilities and authority as are commensurate and consistent with her position, as may be, from time to time, assigned to her by the Board of Directors (the "Board") of the Corporation. The Employee shall report directly to the Board. **The Executive shall also serve as a member of the Company's Board.** During the Term (as defined in Section 3), the Executive shall devote her full business time and efforts to the performance of her duties hereunder unless otherwise authorized by the Board. Notwithstanding the foregoing, the expenditure of reasonable amounts of time by the Executive for the making of passive personal investments, the conduct of business affairs and charitable and professional activities shall be allowed, provided such activities do not materially interfere with the services required to be rendered to the Corporation hereunder and do not violate the restrictive covenants set forth in Section 9 below.

3. Term of Employment. The term of the Employee's employment hereunder, unless sooner terminated as provided herein (the "Initial Term"), shall be for a period of two (2) years commencing on the Effective Date. The term of this Agreement shall automatically be extended for additional terms of one (1) year each (each a "Renewal Term") unless either party gives prior written notice of non-renewal to the other party no later than thirty (30) days prior to the expiration of the Initial Term ("Non-Renewal Notice"), or the then current Renewal Term, as the case may be. For purposes of this Agreement, the Initial Term and any Renewal Term are hereinafter collectively referred to as the "Term."

4. Compensation of Employee. The Corporation shall pay the Employee as compensation for his/her services hereunder, in monthly installments during the Term, the sum of **\$150,000** (the "Base Salary"), less such deductions as shall be required to be withheld by applicable law and regulations and monthly advances against the salary. The Corporation shall review the Base Salary at least annually and has the right but not the obligation to increase it but such salary shall not be decreased during the Term.

(a) In addition to the Base Salary set forth in Section 4(a), the Employee shall be entitled to receive an annual cash bonus in an amount equal to up to one hundred percent (100%) of her then-current Base Salary if the Corporation meets or exceeds criteria adopted by the Compensation Committee of the Board of Directors (the "Compensation Committee") for earning bonuses which criteria shall be adopted by the Compensation Committee at least annually. Bonuses shall be paid by the Corporation to the Employee promptly after determination that the relevant targets have been met, it being understood that the attainment of any financial targets associated with any bonus shall not be determined until following the completion of the Corporation's annual audit and public announcement of such results and bonuses shall be paid promptly following the Corporation's announcement of earnings.

(b) Equity Awards. Employee shall be eligible for such grants of awards under stock option or other equity incentive plans of the Corporation adopted by the Board and approved by the Corporation's stockholders (or any successor or replacement plan adopted by the Board and approved by the Corporation's stockholders) (the "Plan") as the Compensation Committee of the Corporation may from time to time determine (the "Share Awards"). Share Awards shall be subject to the applicable Plan terms and conditions, provided, however, that Share Awards shall be subject to any additional terms and conditions as are provided herein or in any award certificate(s), which shall supersede any conflicting provisions governing Share Awards provided under the Plan.

(c) The Corporation shall pay or reimburse the Employee for all reasonable out-of-pocket expenses actually incurred or paid by the Employee in the course of his employment, including all reasonable expenses for the use of a cell phone in connection with Employee's employment with the Corporation, consistent with the Corporation's policy for reimbursement of expenses from time to time and home office reimbursement, if applicable.

(d) The Employee shall be entitled to participate in such pension, profit sharing, group insurance, hospitalization, and group health and benefit plans and all other benefits and plans, including perquisites, if any, as the Corporation provides to its senior Employees, including group family health insurance coverage which shall be paid by the Corporation (the "Benefit Plans"). In the event the Corporation does not have a health benefit plan in place, or the health benefit plan is limited geographically, the Corporation shall reimburse the Employee for expenses incurred in maintaining health and dental insurance for Employee and her dependents, in an amount not to exceed \$1,500 per month.

(e) Additional Fringe Benefit: The Employee shall be entitled to the use of a company-provided vehicle, including repairs, licenses, fuel, insurance, and registration at the company's expense. For compensation tax purposes, the value of this fringe benefit will be computed and grossed up to include income taxes.

As used herein, the term "Rehabilitated" shall mean such time as the Employee is willing, able and commences to devote his time and energies to the affairs of the Corporation to the extent and in the manner that he did so prior to his Total Disability. Nothing in this Section 5(b) shall be construed to waive the Employee's rights, if any, under existing law including, without limitation, the Family and Medical Leave Act of 1993, 29 U.S.C. s.2601 *et seq.* and the Americans with Disabilities Act, 42 U.S.C. s12101 *et seq.*

(c) For purposes of this Agreement, the term "Good Reason" shall mean that the Employee has resigned due to (i) any diminution of duties inconsistent with Employee's title, authority, duties and responsibilities (including, without limitation, a change in the chain of reporting); (ii) any reduction of or failure to pay Employee compensation provided for herein, except to the extent Employee consents in writing prior to any reduction, deferral or waiver of compensation, which non-payment continues for a period of ten (10) days following written notice to the Corporation by Employee of such non-payment; (iii) any relocation of the principal location of Employee's employment outside of Jacksonville, FL without the Employee's prior written consent; (iv) the consummation of any Change in Control Transaction (as defined below); (v) any material violation by the Corporation of its obligations under this Agreement that is not cured within thirty (30) days after receipt of written notice thereof from the Employee. In the event the Corporation tenders a Non-Renewal Notice to the Employee, then the Employee shall be entitled to the same severance benefits as if the Employee’s employment were terminated pursuant to Section 5(a)(v); provided, however, if such Non-Renewal Notice was triggered due to the Corporation’s statement that the Employee’s employment was terminated due to Section 5(a)(vi) (for “Cause”), then payment of severance benefits will be contingent upon a determination as to whether termination was properly for “Cause.”

In addition, any options or restricted stock shall be immediately vested upon termination of Employee’s employment pursuant to Section 5(a)(v) or by the Corporation without “Cause”.

Employee shall have any conversion rights available under the Corporation's Benefit Plans and as otherwise provided by law, including the Comprehensive Omnibus Budget Reconciliation Act.

Discretionary absences of longer than one week should be scheduled at such time or times as the Employee and the Corporation shall determine is mutually convenient.

8. Disclosure of Confidential Information.

(a) The Employee recognizes, acknowledges and agrees that he has had and will continue to have access to secret and confidential information regarding the Corporation, its subsidiaries and their respective businesses ("Confidential Information"), including but not limited to, its products, methods, formulas, software code, patents, sources of supply, customer dealings, data, know-how, trade secrets and business plans, provided such information (i) is not in or does not hereafter become part of the public domain, or (ii) became known to others through no fault of the Employee. The Employee acknowledges that such information is of great value to the Corporation, is the sole property of the Corporation, and has been and will be acquired by him in confidence. In consideration of the obligations undertaken by the Corporation herein, the Employee will not, at any time, during or after his employment hereunder, reveal, divulge or make known to any person, any Confidential Information acquired by the Employee during the course of his employment, which is treated as confidential by the Corporation, and not otherwise in the public domain, except as required by law (but only after Employee has provided the Corporation with reasonable notice and opportunity to take action against any legally required disclosure. The provisions of this Section 8 shall survive the termination of the Employee's employment hereunder.

(b) The Employee affirms that he does not possess and will not rely upon the protected trade secrets or confidential or proprietary information of any prior employer(s) in providing services to the Corporation or its subsidiaries, except his/her prior knowledge of Lighter Than Air Systems Corp. which was acquired by the Corporation.

(c) In the event that the Employee's employment with the Corporation terminates for any reason, the Employee shall deliver forthwith to the Corporation any and all originals and copies, including those in electronic or digital formats, of Confidential Information; provided, however, Employee shall be entitled to retain (i) papers and other materials of a personal nature, including, but not limited to, photographs, correspondence, personal diaries, calendars and rolodexes, personal files and phone books, (ii) information showing his compensation or relating to reimbursement of expenses, (iii) information that he reasonably believes may be needed for tax purposes and (iv) copies of plans, programs and agreements relating to his employment, or termination thereof, with the Corporation.

(a) The Employee agrees and acknowledges that the Confidential Information that the Employee has already received and will receive is valuable to the Corporation and that its protection and maintenance constitutes a legitimate business interest of the Corporation, to be protected by the non-competition restrictions set forth herein. The Employee agrees and acknowledges that the non-competition restrictions set forth herein are reasonable and necessary and do not impose undue hardship or burdens on the Employee. The Employee also acknowledges that the Corporation's business is conducted worldwide (the "Territory"), and that the Territory, scope of prohibited competition, and time duration set forth in the non-competition restrictions set forth below are reasonable and necessary to maintain the value of the Confidential Information of, and to protect the goodwill and other legitimate business interests of, the Corporation, its affiliates and/or its clients or customers. The provisions of this Section 9 shall survive the termination of the Employee's employment hereunder for the time periods specified below.

(b) The Employee hereby agrees and covenants that he shall not without the prior written consent of the Corporation, directly or indirectly, in any capacity whatsoever, including, without limitation, as an employee, employer, consultant, principal, partner, shareholder, officer, director or any other individual or representative capacity (other than (i) as a holder of less than two (2%) percent of the outstanding securities of a company whose shares are traded on any national securities exchange or (ii) as a limited partner, passive minority interest holder in a venture capital fund, private equity fund or similar investment entity which holds or may hold an equity or debt position in portfolio companies that are competitive with the Corporation; provided however, that the Employee shall be precluded from serving as an operating partner, general partner, manager or governing board designee with respect to such portfolio companies), whether on the Employee's own behalf or on behalf of any other person or entity or otherwise howsoever, during the Term and thereafter to the extent described below, within the Territory.

(1) Engage, own, manage, operate, control, be employed by, consult for, participate in, or be connected in any manner with the ownership, management, operation or control of any business in competition with the Business of the Corporation, as defined in the next sentence. "Business" shall mean the development and sale of lighter than air and heavier than air tethered aerostats or drones.

(3) Attempt in any manner to solicit or accept from any customer of the Corporation, with whom Employee had significant contact during Employee's employment by the Corporation (whether under this Agreement or otherwise), business competitive with the Business done by the Corporation with such customer or to persuade or attempt to persuade any such customer to cease to do business or to reduce the amount of business which such customer has customarily done with the Corporation, or if any such customer elects to move its business to a person other than the Corporation, provide any services of the kind or competitive with the Business of the Corporation for such customer, or have any discussions regarding any such service with such customer, on behalf of such other person for the purpose of competing with the Business of the Corporation; or

(4) Interfere with any relationship, contractual or otherwise, between the Corporation and any other party, including, without limitation, any supplier, distributor, co-venturer or joint venturer of the Corporation, for the purpose of soliciting such other party to discontinue or reduce its business with the Corporation for the purpose of competing with the Business of the Corporation.

With respect to the activities described in Paragraphs (1), (2), (3) and (4) above, the restrictions of this Section 9 shall continue during the Employment Period and, upon termination of the Employee's employment for a period of one (1) year thereafter.

10. Intentionally Omitted.

11. Section 409A.

The provisions of this Agreement are intended to comply with Section 409A of the Internal Revenue Code of 1986, as amended (the "Code") and any final regulations and guidance promulgated thereunder ("Section 409A") and shall be construed in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A. The Corporation and Employee agree to work together in good faith to consider amendments to this Agreement and to take such reasonable actions which are necessary, appropriate or desirable to avoid imposition of any additional tax or income recognition prior to actual payment to Employee under Section 409A.

To the extent that Employee will be reimbursed for costs and expenses or in-kind benefits, except as otherwise permitted by Section 409A, (a) the right to reimbursement or in-kind benefits is not subject to liquidation or exchange for another benefit, (b) the amount of expenses eligible for reimbursement, or in-kind benefits, provided during any taxable year shall not affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year; provided that the foregoing clause (b) shall not be violated with regard to expenses reimbursed under any arrangement covered by Section 105(b) of the Code solely because such expenses are subject to a limit related to the period the arrangement is in effect and (c) such payments shall be made on or before the last day of the taxable year following the taxable year in which you incurred the expense.

A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits upon or following a termination of employment unless such termination constitutes a "Separation from Service" within the meaning of Section 409A and, for purposes of any such provision of this Agreement references to a "termination," "termination of employment" or like terms shall mean Separation from Service.

Each installment payable hereunder shall constitute a separate payment for purposes of Treasury Regulation Section 1.409A-2(b), including Treasury Regulation Section 1.409A-2(b)(2)(iii). Each payment that is made within the terms of the "short-term deferral" rule set forth in Treasury Regulation Section 1.409A-1(b)(4) is intended to meet the "short-term deferral" rule. Each other payment is intended to be a payment upon an involuntary termination from service and payable pursuant to Treasury Regulation Section 1.409A-1(b)(9)(iii), et. seq., to the maximum extent permitted by that regulation, with any amount that is not exempt from Code Section 409A being subject to Code Section 409A.

Notwithstanding anything to the contrary in this Agreement, if Employee is a "specified employee" within the meaning of Section 409A at the time of Employee's termination, then only that portion of the severance and benefits payable to Employee pursuant to this Agreement, if any, and any other severance payments or separation benefits which may be considered deferred compensation under Section 409A (together, the "Deferred Compensation Separation Benefits"), which (when considered together) do not exceed the Section 409A Limit (as defined herein) may be made within the first six (6) months following Employee's termination of employment in accordance with the payment schedule applicable to each payment or benefit. Any portion of the Deferred Compensation Separation Benefits in excess of the Section 409A Limit otherwise due to Employee on or within the six (6) month period following Employee's termination will accrue during such six (6) month period and will become payable in one lump sum cash payment on the date six (6) months and one (1) day following the date of Employee's termination of employment. All subsequent Deferred Compensation Separation Benefits, if any, will be payable in accordance with the payment schedule applicable to each payment or benefit. Notwithstanding anything herein to the contrary, if Employee dies following termination but prior to the six (6) month anniversary of Employee's termination date, then any payments delayed in accordance with this paragraph will be payable in a lump sum as soon as administratively practicable after the date of Employee's death and all other Deferred Compensation Separation Benefits will be payable in accordance with the payment schedule applicable to each payment or benefit.

The invalidity or partial invalidity of one or more provisions of this Agreement shall not invalidate any other provision of this Agreement. The Employee shall report directly to the CEO. During the Term (as defined in Section 3), the Employee shall devote all of her full business time and efforts to the performance of her duties hereunder unless otherwise authorized by the Board. Notwithstanding the foregoing, the expenditure of reasonable amounts of time by the Employee for the making of passive personal investments, the conduct of business affairs and charitable and professional activities shall be allowed, provided such activities do not materially interfere with the services required to be rendered to the Corporation hereunder and do not violate the restrictive covenants set forth in Section 9 below.

3. Term of Employment. The term of the Employee's employment hereunder, unless sooner terminated as provided herein (the "Initial Term"), shall be for a period of two (2) years commencing on the Effective Date. The term of this Agreement shall automatically be extended for additional terms of one (1) year each (each a "Renewal Term") unless either party gives prior written notice of non-renewal to the other party no later than thirty (30) days prior to the expiration of the Initial Term ("Non-Renewal Notice"), or the then current Renewal Term, as the case may be. For purposes of this Agreement, the Initial Term and any Renewal Term are hereinafter collectively referred to as the "Term."

4. Compensation of Employee. The Corporation shall pay the Employee as compensation for her services hereunder, in monthly installments during the Term, the sum of **\$140,000** (the "Base Salary"), less such deductions as shall be required to be withheld by applicable law and regulations and monthly advances against the salary. The Corporation shall review the Base Salary at least annually and has the right but not the obligation to increase it but such salary shall not be decreased during the Term.

(a) In addition to the Base Salary set forth in Section 4(a), the Employee shall be entitled to receive an annual cash bonus in an amount equal to up to one hundred percent (100%) of her then-current Base Salary if the Corporation meets or exceeds criteria adopted by the Compensation Committee of the Board of Directors (the "Compensation Committee") for earning bonuses which criteria shall be adopted by the Compensation Committee at least annually. Bonuses shall be paid by the Corporation to the Employee promptly after determination that the relevant targets have been met, it being understood that the attainment of any financial targets associated with any bonus shall not be determined until following the completion of the Corporation's annual audit and public announcement of such results and bonuses shall be paid promptly following the Corporation's announcement of earnings.

(b) Equity Awards. Employee shall be eligible for such grants of awards under stock option or other equity incentive plans of the Corporation adopted by the Board and approved by the Corporation's stockholders (or any successor or replacement plan adopted by the Board and approved by the Corporation's stockholders) (the "Plan") as the Compensation Committee of the Corporation may from time to time determine (the "Share Awards"). Share Awards shall be subject to the applicable Plan terms and conditions, provided, however, that Share Awards shall be subject to any additional terms and conditions as are provided herein or in any award certificate(s), which shall supersede any conflicting provisions governing Share Awards provided under the Plan.

(c) The Corporation shall pay or reimburse the Employee for all reasonable out-of-pocket expenses actually incurred or paid by the Employee in the course of her employment, including all reasonable expenses for professional fees and licenses, the use of a cell phone in connection with Employee's employment with the Corporation, consistent with the Corporation's policy for reimbursement of expenses from time to time and home office reimbursement.

As used herein, the term "Rehabilitated" shall mean such time as the Employee is willing, able and commences to devote her time and energies to the affairs of the Corporation to the extent and in the manner that she did so prior to her Total Disability. Nothing in this Section 5(b) shall be construed to waive the Employee's rights, if any, under existing law including, without limitation, the Family and Medical Leave Act of 1993, 29 U.S.C. s.2601 *et seq.* and the Americans with Disabilities Act, 42 U.S.C. s12101 *et seq.*

(c) For purposes of this Agreement, the term "Good Reason" shall mean that the Employee has resigned due to (i) any diminution of duties inconsistent with Employee's title, authority, duties and responsibilities (including, without limitation, a change in the chain of reporting); (ii) any reduction of or failure to pay Employee compensation provided for herein, except to the extent Employee consents in writing prior to any reduction, deferral or waiver of compensation, which non-payment continues for a period of ten (10) days following written notice to the Corporation by Employee of such non-payment; (iii) any relocation of the principal location of Employee's employment outside of Tulsa, Oklahoma without the Employee's prior written consent; (iv) the consummation of any Change in Control Transaction (as defined below); (v) any material violation by the Corporation of its obligations under this Agreement that is not cured within thirty (30) days after receipt of written notice thereof from the Employee. (v) gross negligence or willful misconduct in the performance of Employee’s assigned duties; or

(vi) any material breach of this Agreement by Employee, which breach, if curable, is not cured within fifteen (15) days after written notice to the Employee of such breach.

6. Effects of Termination.

(a) Upon termination of the Employee’s employment pursuant to Section 5(a)(i) or (ii), in addition to the accrued but unpaid compensation through the date of death or Total Disability and any other benefits accrued to her under any Benefit Plans outstanding at such time and the reimbursement of documented, unreimbursed expenses incurred prior to such date, the Employee or her estate or beneficiaries, as applicable, shall be entitled to the following severance benefits: (i) continued provision for a period of twelve (12) months following the Employee’s death or Total Disability of benefits under Benefit Plans extended from time to time by the Corporation to its senior Employees; and (ii) payment on a pro-rated basis of any bonus or other payments earned in connection with any bonus plan to which the Employee was a participant as of the date of death or Total Disability.

In the event the Corporation tenders a Non-Renewal Notice to the Employee, then the Employee shall be entitled to the same severance benefits as if the Employee’s employment were terminated pursuant to Section 5(a)(v); provided, however, if such Non-Renewal Notice was triggered due to the Corporation’s statement that the Employee’s employment was terminated due to Section 5(a)(vi) (for “Cause”), then payment of severance benefits will be contingent upon a determination as to whether termination was properly for “Cause.”

(c) Upon termination of the Employee’s employment pursuant to Section 5(a)(v) or other than pursuant to Section 5(a)(i), 5(a)(ii), 5(a)(iii), 5(a)(iv), or 5(a)(vi) (i.e., without “Cause”), in addition to the accrued but unpaid compensation through the end of the Term or any then applicable extension of the Term and any other benefits accrued to her under any Benefit Plans outstanding at such time and the reimbursement of documented, unreimbursed expenses incurred prior to such date, the Employee shall be entitled to the following severance benefits: (i) a cash payment, based on the current scale of Employee’s Base Salary, equal to six months of Base Salary, to be paid in a single lump sum payment not later than sixty (60) days following such termination, less withholding of all applicable taxes; (ii) continued provision for a period of twelve (12) months after the date of termination of the benefits under Benefit Plans extended from time to time by the Corporation to its senior Employees; and (iii) payment on a pro-rated basis of any bonus or other payments earned in connection with any bonus plan to which the Employee was a participant as of the date of the Employee’s termination of employment. In addition, any options or restricted stock shall be immediately vested upon termination of Employee’s employment pursuant to Section 5(a)(v) or by the Corporation without “Cause”.

(d) Upon termination of the Employee's employment pursuant to Section 5(a)(iv) or (vi), in addition to the reimbursement of documented, unreimbursed expenses incurred prior to such date, the Employee shall be entitled to the following severance benefits: (i) accrued and unpaid Base Salary through the date of termination, less withholding of applicable taxes and any other benefits accrued to her under any Benefit Plans outstanding at such time; and (ii) continued provision, for a period of one (1) month after the date of the Employee's termination of employment, of benefits under Benefit Plans extended to the Employee at the time of termination. Employee shall have any conversion rights available under the Corporation's Benefit Plans and as otherwise provided by law, including the Comprehensive Omnibus Budget Reconciliation Act.

(e) Any payments required to be made hereunder by the Corporation to the Employee shall continue to the Employee's beneficiaries in the event of her death until paid in full.

7. Time Off. In addition to standard holidays, the Employee shall be entitled to take reasonable amounts of time off for vacation, illness, and personal matters during which period her salary shall be paid in full. Discretionary absences of longer than one week should be scheduled at such time or times as the Employee and the Corporation shall determine is mutually convenient.

8. Disclosure of Confidential Information.

(a) The Employee recognizes, acknowledges and agrees that she has had and will continue to have access to secret and confidential information regarding the Corporation, its subsidiaries and their respective businesses ("Confidential Information"), including but not limited to, its products, methods, formulas, software code, patents, sources of supply, customer dealings, data, know-how, trade secrets and business plans, provided such information (i) is not in or does not hereafter become part of the public domain, or (ii) became known to others through no fault of the Employee. The Employee acknowledges that such information is of great value to the Corporation, is the sole property of the Corporation, and has been and will be acquired by her in confidence. In consideration of the obligations undertaken by the Corporation herein, the Employee will not, at any time, during or after her employment hereunder, reveal, divulge or make known to any person, any Confidential Information acquired by the Employee during the course of her employment, which is treated as confidential by the Corporation, and not otherwise in the public domain, except as required by law (but only after Employee has provided the Corporation with reasonable notice and opportunity to take action against any legally required disclosure. The provisions of this Section 8 shall survive the termination of the Employee's employment hereunder.

(b) The Employee affirms that she does not possess and will not rely upon the protected trade secrets or confidential or proprietary information of any prior employer(s) in providing services to the Corporation or its subsidiaries, except her prior knowledge of Lighter Than Air Systems Corp. which was acquired by the Corporation.

(c) In the event that the Employee's employment with the Corporation terminates for any reason, the Employee shall deliver forthwith to the Corporation any and all originals and copies, including those in electronic or digital formats, of Confidential Information; provided, however, Employee shall be entitled to retain (i) papers and other materials of a personal nature, including, but not limited to, photographs, correspondence, personal diaries, calendars and rolodexes, personal files and phone books, (ii) information showing her compensation or relating to reimbursement of expenses, (iii) information that he reasonably believes may be needed for tax purposes and (iv) copies of plans, programs and agreements relating to her employment, or termination thereof, with the Corporation.

The Employee agrees and acknowledges that the non-competition restrictions set forth herein are reasonable and necessary and do not impose undue hardship or burdens on the Employee. The Employee also acknowledges that the Corporation's business is conducted worldwide (the "Territory"), and that the Territory, scope of prohibited competition, and time duration set forth in the non-competition restrictions set forth below are reasonable and necessary to maintain the value of the Confidential Information of, and to protect the goodwill and other legitimate business interests of, the Corporation, its affiliates and/or its clients or customers. The provisions of this Section 9 shall survive the termination of the Employee's employment hereunder for the time periods specified below.

(b) The Employee hereby agrees and covenants that she shall not without the prior written consent of the Corporation, directly or indirectly, in any capacity whatsoever, including, without limitation, as an employee, employer, consultant, principal, partner, shareholder, officer, director or any other individual or representative capacity (other than (i) as a holder of less than two (2%) percent of the outstanding securities of a company whose shares are traded on any national securities exchange or (ii) as a limited partner, passive minority interest holder in a venture capital fund, private equity fund or similar investment entity which holds or may hold an equity or debt position in portfolio companies that are competitive with the Corporation; provided however, that the Employee shall be precluded from serving as an operating partner, general partner, manager or governing board designee with respect to such portfolio companies), whether on the Employee's own behalf or on behalf of any other person or entity or otherwise howsoever, during the Term and thereafter to the extent described below, within the Territory.

(1) Engage, own, manage, operate, control, be employed by, consult for, participate in, or be connected in any manner with the ownership, management, operation or control of any business in competition with the Business of the Corporation, as defined in the next sentence. "Business" shall mean the development and sale of lighter than air and heavier than air tethered aerostats or drones.

(2) Recruit, solicit or hire, or attempt to recruit, solicit or hire, any employee, or independent contractor of the Corporation to leave the employment (or independent contractor relationship) thereof, whether or not any such employee or independent contractor is party to an employment agreement, for the purpose of competing with the Business of the Corporation;

(3) Attempt in any manner to solicit or accept from any customer of the Corporation, with whom Employee had significant contact during Employee's employment by the Corporation (whether under this Agreement or otherwise), business competitive with the Business done by the Corporation with such customer or to persuade or attempt to persuade any such customer to cease to do business or to reduce the amount of business which such customer has customarily done with the Corporation, or if any such customer elects to move its business to a person other than the Corporation, provide any services of the kind or competitive with the Business of the Corporation for such customer, or have any discussions regarding any such service with such customer, on behalf of such other person for the purpose of competing with the Business of the Corporation; or

(4) Interfere with any relationship, contractual or otherwise, between the Corporation and any other party, including, without limitation, any supplier, distributor, co-venturer or joint venturer of the Corporation, for the purpose of soliciting such other party to discontinue or reduce its business with the Corporation for the purpose of competing with the Business of the Corporation.

With respect to the activities described in Paragraphs (1), (2), (3) and (4) above, the restrictions of this Section 9 shall continue during the Employment Period and, upon termination of the Employee's employment for a period of one (1) year thereafter.

10. Intentionally Omitted.

11. Section 409A.

The provisions of this Agreement are intended to comply with Section 409A of the Internal Revenue Code of 1986, as amended (the "Code") and any final regulations and guidance promulgated thereunder ("Section 409A") and shall be construed in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A. The Corporation and Employee agree to work together in good faith to consider amendments to this Agreement and to take such reasonable actions which are necessary, appropriate or desirable to avoid imposition of any additional tax or income recognition prior to actual payment to Employee under Section 409A.

To the extent that Employee will be reimbursed for costs and expenses or in-kind benefits, except as otherwise permitted by Section 409A, (a) the right to reimbursement or in-kind benefits is not subject to liquidation or exchange for another benefit, (b) the amount of expenses eligible for reimbursement, or in-kind benefits, provided during any taxable year shall not affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year; provided that the foregoing clause (b) shall not be violated with regard to expenses reimbursed under any arrangement covered by Section 105(b) of the Code solely because such expenses are subject to a limit related to the period the arrangement is in effect and (c) such payments shall be made on or before the last day of the taxable year following the taxable year in which you incurred the expense.

A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits upon or following a termination of employment unless such termination constitutes a "Separation from Service" within the meaning of Section 409A and, for purposes of any such provision of this Agreement references to a "termination," "termination of employment" or like terms shall mean Separation from Service.

Each installment payable hereunder shall constitute a separate payment for purposes of Treasury Regulation Section 1.409A-2(b), including Treasury Regulation Section 1.409A-2(b)(2)(iii). Each payment that is made within the terms of the "short-term deferral" rule set forth in Treasury Regulation Section 1.409A-1(b)(4) is intended to meet the "short-term deferral" rule. Each other payment is intended to be a payment upon an involuntary termination from service and payable pursuant to Treasury Regulation Section 1.409A-1(b)(9)(iii), et. seq., to the maximum extent permitted by that regulation, with any amount that is not exempt from Code Section 409A being subject to Code Section 409A.

Notwithstanding anything to the contrary in this Agreement, if Employee is a "specified employee" within the meaning of Section 409A at the time of Employee's termination, then only that portion of the severance and benefits payable to Employee pursuant to this Agreement, if any, and any other severance payments or separation benefits which may be considered deferred compensation under Section 409A (together, the "Deferred Compensation Separation Benefits"), which (when considered together) do not exceed the Section 409A Limit (as defined herein) may be made within the first six (6) months following Employee's termination of employment in accordance with the payment schedule applicable to each payment or benefit. Any portion of the Deferred Compensation Separation Benefits in excess of the Section 409A Limit otherwise due to Employee on or within the six (6) month period following Employee's termination will accrue during such six (6) month period and will become payable in one lump sum cash payment on the date six (6) months and one (1) day following the date of Employee's termination of employment. All subsequent Deferred Compensation Separation Benefits, if any, will be payable in accordance with the payment schedule applicable to each payment or benefit. Notwithstanding anything herein to the contrary, if Employee dies following termination but prior to the six (6) month anniversary of Employee's termination date, then any payments delayed in accordance with this paragraph will be payable in a lump sum as soon as administratively practicable after the date of Employee's death and all other Deferred Compensation Separation Benefits will be payable in accordance with the payment schedule applicable to each payment or benefit.

For purposes of this Agreement, "Section 409A Limit" will mean a sum equal (x) to the amounts payable prior to March 15 following the year in which Employee terminations plus (y) the lesser of two (2) times: (i) Employee's annualized compensation based upon the annual rate of pay paid to Employee during the Corporation's taxable year preceding the Corporation's taxable year of Employee's termination of employment as determined under Treasury Regulation 1.409A-1(b)(9)(iii)(A)(1) and any IRS guidance issued with respect thereto; or (ii) the maximum amount that may be taken into account under a qualified plan pursuant to Section 401(a)(17) of the Code for the year in which Employee's employment is terminated.

12. Miscellaneous.

a. The Employee acknowledges that the services to be rendered by her under the provisions of this Agreement are of a special, unique and extraordinary character and that it would be difficult or impossible to replace such services. Accordingly, the Employee agrees that any breach or threatened breach by her of Sections 8 or 9 of this Agreement shall entitle the Corporation, in addition to all other legal remedies available to it, to apply to any court of competent jurisdiction to seek to enjoin such breach or threatened breach. The parties understand and intend that each restriction agreed to by the Employee hereinabove shall be construed as separable and divisible from every other restriction, that the unenforceability of any restriction shall not limit the enforceability, in whole or in part, of any other restriction, and that one or more or all of such restrictions may be enforced in whole or in part as the circumstances warrant. In the event that any restriction in this Agreement is more restrictive than permitted by law in the jurisdiction in which the Corporation seeks enforcement thereof, such restriction shall be limited to the extent permitted by law. The remedy of injunctive relief herein set forth shall be in addition to, and not in lieu of, any other rights or remedies that the Corporation may have at law or in equity.

b. Neither the Employee nor the Corporation may assign or delegate any of their rights or duties under this Agreement without the express written consent of the other; provided however that the Corporation shall have the right to delegate its obligation of payment of all sums due to the Employee hereunder, provided that such delegation shall not relieve the Corporation of any of its obligations hereunder.

c. This Agreement constitutes and embodies the full and complete understanding and agreement of the parties with respect to the Employee's employment by the Corporation, supersedes all prior understandings and agreements, whether oral or written, between the Employee and the Corporation, and shall not be amended, modified or changed except by an instrument in writing executed by the party to be charged. The invalidity or partial invalidity of one or more provisions of this Agreement shall not invalidate any other provision of this Agreement. No waiver by either party of any provision or condition to be performed shall be deemed a waiver of similar or dissimilar provisions or conditions at the same time or any prior or subsequent time.

d. This Agreement shall inure to the benefit of, be binding upon and enforceable against, the parties hereto and their respective successors, heirs, beneficiaries and permitted assigns.

e. The headings contained in this Agreement are for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

f. All notices, requests, demands and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been duly given when personally delivered, sent by registered or certified mail, return receipt requested, postage prepaid, or by private overnight mail service (e.g. Federal Express) to the party at the address set forth above or to such other address as either party may hereafter give notice of in accordance with the provisions hereof. Notices shall be deemed given on the sooner of the date actually received or the third business day after sending.

g. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York without reference to principles of conflicts of laws and each of the parties hereto irrevocably consents to the jurisdiction and venue of the federal and state courts located in the State of New York.

h. This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one of the same instrument. The parties hereto have executed this Agreement as of the date set forth above.

3. Term of Employment. The term of the Employee's employment hereunder, unless sooner terminated as provided herein (the "Initial Term"), shall be for a period of two (2) years commencing on the Effective Date. The term of this Agreement shall automatically be extended for additional terms of one (1) year each (each a "Renewal Term") unless either party gives prior written notice of non-renewal to the other party no later than thirty (30) days prior to the expiration of the Initial Term ("Non-Renewal Notice"), or the then current Renewal Term, as the case may be. For purposes of this Agreement, the Initial Term and any Renewal Term are hereinafter collectively referred to as the "Term."

4. Compensation of Employee. The Corporation shall pay the Employee as compensation for his services hereunder, in monthly installments during the Term, the sum of **\$140,000** (the "Base Salary"), less such deductions as shall be required to be withheld by applicable law and regulations and monthly advances against the salary. The Corporation shall review the Base Salary at least annually and has the right but not the obligation to increase it but such salary shall not be decreased during the Term.

(a) In addition to the Base Salary set forth in Section 4(a), the Employee shall be entitled to receive an annual cash bonus in an amount equal to up to one hundred percent (100%) of his then-current Base Salary if the Corporation meets or exceeds criteria adopted by the Compensation Committee of the Board of Directors (the "Compensation Committee") for earning bonuses which criteria shall be adopted by the Compensation Committee at least annually. Bonuses shall be paid by the Corporation to the Employee promptly after determination that the relevant targets have been met, it being understood that the attainment of any financial targets associated with any bonus shall not be determined until following the completion of the Corporation's annual audit and public announcement of such results and bonuses shall be paid promptly following the Corporation's announcement of earnings.

(b) Equity Awards. Employee shall be eligible for such grants of awards under stock option or other equity incentive plans of the Corporation adopted by the Board and approved by the Corporation's stockholders (or any successor or replacement plan adopted by the Board and approved by the Corporation's stockholders) (the "Plan") as the Compensation Committee of the Corporation may from time to time determine (the "Share Awards"). Share Awards shall be subject to the applicable Plan terms and conditions, provided, however, that Share Awards shall be subject to any additional terms and conditions as are provided herein or in any award certificate(s), which shall supersede any conflicting provisions governing Share Awards provided under the Plan.

(c) The Corporation shall pay or reimburse the Employee for all reasonable out-of-pocket expenses actually incurred or paid by the Employee in the course of his employment, including all reasonable expenses for the use of a cell phone in connection with Employee's employment with the Corporation, consistent with the Corporation's policy for reimbursement of expenses from time to time and home office reimbursement, if applicable.

(d) The Employee shall be entitled to participate in such pension, profit sharing, group insurance, hospitalization, and group health and benefit plans and all other benefits and plans, including perquisites, if any, as the Corporation provides to its senior Employees, including group family health insurance coverage which shall be paid by the Corporation (the "Benefit Plans"). In the event the Corporation does not have a health benefit plan in place, or the health benefit plan is limited geographically, the Corporation shall reimburse the Employee for expenses incurred in maintaining health and dental insurance for Employee and his dependents, in an amount not to exceed \$1,500 per month.

5. Termination.

(a) This Agreement and the Employee's employment hereunder shall terminate upon the happening of any of the following events:

- (i) upon the Employee's death;
- (ii) upon the Employee's "Total Disability" (as herein defined);
- (iii) upon the expiration of the Initial Term of this Agreement or any Renewal Term thereof, if either party has provided a timely notice of non-renewal in accordance with Section 3, above;

(b) For purposes of this Agreement, the Employee shall be deemed to be suffering from a "Total Disability" if the Employee has failed to perform his regular and customary duties to the Corporation for a period of 180 days out of any 360-day period and if before the Employee has become "Rehabilitated" (as herein defined) a majority of the members of the Board, exclusive of the Employee, vote to determine that the Employee is mentally or physically incapable or unable to continue to perform such regular and customary duties of employment. As used herein, the term "Rehabilitated" shall mean such time as the Employee is willing, able and commences to devote his time and energies to the affairs of the Corporation to the extent and in the manner that he did so prior to his Total Disability. Nothing in this Section 5(b) shall be construed to waive the Employee's rights, if any, under existing law including, without limitation, the Family and Medical Leave Act of 1993, 29 U.S.C. s.2601 *et seq.* and the Americans with Disabilities Act, 42 U.S.C. s12101 *et seq.*

(c) For purposes of this Agreement, the term "Good Reason" shall mean that the Employee has resigned due to (i) any diminution of duties inconsistent with Employee's title, authority, duties and responsibilities (including, without limitation, a change in the chain of reporting); (ii) any reduction of or failure to pay Employee compensation provided for herein, except to the extent Employee consents in writing prior to any reduction, deferral or waiver of compensation, which non-payment continues for a period of ten (10) days following written notice to the Corporation by Employee of such non-payment; (iii) any relocation of the principal location of Employee's employment outside of Jacksonville, FL without the Employee's prior written consent; (iv) the consummation of any Change in Control Transaction (as defined below); (v) any material violation by the Corporation of its obligations under this Agreement that is not cured within thirty (30) days after receipt of written notice thereof from the Employee. For purposes of this Agreement, the term "Change in Control Transaction" means the sale of the Corporation to an un-affiliated person or entity or group of un-affiliated persons or entities pursuant to which such party or parties acquire (i) shares of capital stock of the Corporation representing at least fifty percent (50%) of outstanding capital stock or sufficient to elect a majority of the Board of the Corporation (whether by merger, consolidation, sale or transfer of shares (other than a merger where the Corporation is the surviving corporation and the shareholders and directors of the Corporation prior to the merger constitute a majority of the shareholders and directors, respectively, of the surviving corporation (or its parent)) or (ii) all or substantially all of the Corporation's assets determined on a consolidated basis.

(d) For purposes of this Agreement, the term “Cause” shall mean:

(i) conviction of a felony or a crime involving fraud or moral turpitude; or

(ii) theft, material act of dishonesty or fraud, intentional falsification of any employment or Corporation records, or commission of any criminal act which impairs Employee’s ability to perform appropriate employment duties for the Corporation; or

(iii) intentional or reckless conduct or gross negligence materially harmful to the Corporation or the successor to the Corporation after a Change in Control Transaction, including violation of a non-competition or confidentiality agreement; or

(v) gross negligence or willful misconduct in the performance of Employee’s assigned duties; or

(vi) any material breach of this Agreement by Employee, which breach, if curable, is not cured within fifteen (15) days after written notice to the Employee of such breach.

6. Effects of Termination.

(a) Upon termination of the Employee’s employment pursuant to Section 5(a)(i) or (ii), in addition to the accrued but unpaid compensation through the date of death or Total Disability and any other benefits accrued to him under any Benefit Plans outstanding at such time and the reimbursement of documented, unreimbursed expenses incurred prior to such date, the Employee or his estate or beneficiaries, as applicable, shall be entitled to the following severance benefits: (i) continued provision for a period of twelve (12) months following the Employee’s death or Total Disability of benefits under Benefit Plans extended from time to time by the Corporation to its senior Employees; and (ii) payment on a pro-rated basis of any bonus or other payments earned in connection with any bonus plan to which the Employee was a participant as of the date of death or Total Disability.

(b) Upon termination of the Employee’s employment pursuant to Section 5(a)(iii), where the Corporation has offered to renew the term of the Employee’s employment for an additional one (1) year period and the Employee chooses not to continue in the employ of the Corporation, the Employee shall be entitled to receive only the accrued but unpaid compensation through the date of termination and any other benefits accrued to him under any Benefit Plans outstanding at such time and the reimbursement of documented, unreimbursed expenses incurred prior to such date. In the event the Corporation tenders a Non-Renewal Notice to the Employee, then the Employee shall be entitled to the same severance benefits as if the Employee’s employment were terminated pursuant to Section 5(a)(v); provided, however, if such Non-Renewal Notice was triggered due to the Corporation’s statement that the Employee’s employment was terminated due to Section 5(a)(vi) (for “Cause”), then payment of severance benefits will be contingent upon a determination as to whether termination was properly for “Cause.”

(c) Upon termination of the Employee’s employment pursuant to Section 5(a)(v) or other than pursuant to Section 5(a)(i), 5(a)(ii), 5(a)(iii), 5(a)(iv), or 5(a)(vi) (i.e., without “Cause”), in addition to the accrued but unpaid compensation through the end of the Term or any then applicable extension of the Term and any other benefits accrued to him under any Benefit Plans outstanding at such time and the reimbursement of documented, unreimbursed expenses incurred prior to such date, the Employee shall be entitled to the following severance benefits: (i) a cash payment, based on the current scale of Employee’s Base Salary, equal to six months of Base Salary, to be paid in a single lump sum payment not later than sixty (60) days following such termination, less withholding of all applicable taxes; (ii) continued provision for a period of twelve (12) months after the date of termination of the benefits under Benefit Plans extended from time to time by the Corporation to its senior Employees; and (iii) payment on a pro-rated basis of any bonus or other payments earned in connection with any bonus plan to which the Employee was a participant as of the date of the Employee’s termination of employment. In addition, any options or restricted stock shall be immediately vested upon termination of Employee’s employment pursuant to Section 5(a)(v) or by the Corporation without “Cause”.

(d) Upon termination of the Employee's employment pursuant to Section 5(a)(iv) or (vi), in addition to the reimbursement of documented, unreimbursed expenses incurred prior to such date, the Employee shall be entitled to the following severance benefits: (i) accrued and unpaid Base Salary through the date of termination, less withholding of applicable taxes and any other benefits accrued to him under any Benefit Plans outstanding at such time; and (ii) continued provision, for a period of one (1) month after the date of the Employee's termination of employment, of benefits under Benefit Plans extended to the Employee at the time of termination. Employee shall have any conversion rights available under the Corporation's Benefit Plans and as otherwise provided by law, including the Comprehensive Omnibus Budget Reconciliation Act.

(e) Any payments required to be made hereunder by the Corporation to the Employee shall continue to the Employee's beneficiaries in the event of his death until paid in full.

7. Time Off. In addition to standard holidays, the Employee shall be entitled to take reasonable amounts of time off for vacation, illness, and personal matters during which period his salary shall be paid in full. Discretionary absences of longer than one week should be scheduled at such time or times as the Employee and the Corporation shall determine is mutually convenient.

8. Disclosure of Confidential Information.

(a) The Employee recognizes, acknowledges and agrees that he has had and will continue to have access to secret and confidential information regarding the Corporation, its subsidiaries and their respective businesses ("Confidential Information"), including but not limited to, its products, methods, formulas, software code, patents, sources of supply, customer dealings, data, know-how, trade secrets and business plans, provided such information (i) is not in or does not hereafter become part of the public domain, or (ii) became known to others through no fault of the Employee. The Employee acknowledges that such information is of great value to the Corporation, is the sole property of the Corporation, and has been and will be acquired by him in confidence. In consideration of the obligations undertaken by the Corporation herein, the Employee will not, at any time, during or after his employment hereunder, reveal, divulge or make known to any person, any Confidential Information acquired by the Employee during the course of his employment, which is treated as confidential by the Corporation, and not otherwise in the public domain, except as required by law (but only after Employee has provided the Corporation with reasonable notice and opportunity to take action against any legally required disclosure. The provisions of this Section 8 shall survive the termination of the Employee's employment hereunder.

(b) The Employee affirms that he does not possess and will not rely upon the protected trade secrets or confidential or proprietary information of any prior employer(s) in providing services to the Corporation or its subsidiaries, except his prior knowledge of Lighter Than Air Systems Corp. which was acquired by the Corporation.

(c) In the event that the Employee's employment with the Corporation terminates for any reason, the Employee shall deliver forthwith to the Corporation any and all originals and copies, including those in electronic or digital formats, of Confidential Information; provided, however, Employee shall be entitled to retain (i) papers and other materials of a personal nature, including, but not limited to, photographs, correspondence, personal diaries, calendars and rolodexes, personal files and phone books, (ii) information showing his compensation or relating to reimbursement of expenses, (iii) information that he reasonably believes may be needed for tax purposes and (iv) copies of plans, programs and agreements relating to his employment, or termination thereof, with the Corporation.

9. Non-Competition and Non-Solicitation.

(a) The Employee agrees and acknowledges that the Confidential Information that the Employee has already received and will receive is valuable to the Corporation and that its protection and maintenance constitutes a legitimate business interest of the Corporation, to be protected by the non-competition restrictions set forth herein. The Employee agrees and acknowledges that the non-competition restrictions set forth herein are reasonable and necessary and do not impose undue hardship or burdens on the Employee. The Employee also acknowledges that the Corporation's business is conducted worldwide (the "Territory"), and that the Territory, scope of prohibited competition, and time duration set forth in the non-competition restrictions set forth below are reasonable and necessary to maintain the value of the Confidential Information of, and to protect the goodwill and other legitimate business interests of, the Corporation, its affiliates and/or its clients or customers. The provisions of this Section 9 shall survive the termination of the Employee's employment hereunder for the time periods specified below.

(b) The Employee hereby agrees and covenants that he shall not without the prior written consent of the Corporation, directly or indirectly, in any capacity whatsoever, including, without limitation, as an employee, employer, consultant, principal, partner, shareholder, officer, director or any other individual or representative capacity (other than (i) as a holder of less than two (2%) percent of the outstanding securities of a company whose shares are traded on any national securities exchange or (ii) as a limited partner, passive minority interest holder in a venture capital fund, private equity fund or similar investment entity which holds or may hold an equity or debt position in portfolio companies that are competitive with the Corporation; provided however, that the Employee shall be precluded from serving as an operating partner, general partner, manager or governing board designee with respect to such portfolio companies), whether on the Employee's own behalf or on behalf of any other person or entity or otherwise howsoever, during the Term and thereafter to the extent described below, within the Territory.

(1) Engage, own, manage, operate, control, be employed by, consult for, participate in, or be connected in any manner with the ownership, management, operation or control of any business in competition with the Business of the Corporation, as defined in the next sentence. "Business" shall mean the development and sale of lighter than air and heavier than air tethered aerostats or drones.

(2) Recruit, solicit or hire, or attempt to recruit, solicit or hire, any employee, or independent contractor of the Corporation to leave the employment (or independent contractor relationship) thereof, whether or not any such employee or independent contractor is party to an employment agreement, for the purpose of competing with the Business of the Corporation;

(3) Attempt in any manner to solicit or accept from any customer of the Corporation, with whom Employee had significant contact during Employee's employment by the Corporation (whether under this Agreement or otherwise), business competitive with the Business done by the Corporation with such customer or to persuade or attempt to persuade any such customer to cease to do business or to reduce the amount of business which such customer has customarily done with the Corporation, or if any such customer elects to move its business to a person other than the Corporation, provide any services of the kind or competitive with the Business of the Corporation for such customer, or have any discussions regarding any such service with such customer, on behalf of such other person for the purpose of competing with the Business of the Corporation; or

(4) Interfere with any relationship, contractual or otherwise, between the Corporation and any other party, including, without limitation, any supplier, distributor, co-venturer or joint venturer of the Corporation, for the purpose of soliciting such other party to discontinue or reduce its business with the Corporation for the purpose of competing with the Business of the Corporation.

With respect to the activities described in Paragraphs (1), (2), (3) and (4) above, the restrictions of this Section 9 shall continue during the Employment Period and, upon termination of the Employee's employment for a period of one (1) year thereafter.

10. Intentionally Omitted.

11. Section 409A.

The provisions of this Agreement are intended to comply with Section 409A of the Internal Revenue Code of 1986, as amended (the “Code”) and any final regulations and guidance promulgated thereunder (“Section 409A”) and shall be construed in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A. The Corporation and Employee agree to work together in good faith to consider amendments to this Agreement and to take such reasonable actions which are necessary, appropriate or desirable to avoid imposition of any additional tax or income recognition prior to actual payment to Employee under Section 409A.

To the extent that Employee will be reimbursed for costs and expenses or in-kind benefits, except as otherwise permitted by Section 409A, (a) the right to reimbursement or in-kind benefits is not subject to liquidation or exchange for another benefit, (b) the amount of expenses eligible for reimbursement, or in-kind benefits, provided during any taxable year shall not affect the expenses eligible for reimbursement, or in-kind benefits to be provided, in any other taxable year; provided that the foregoing clause (b) shall not be violated with regard to expenses reimbursed under any arrangement covered by Section 105(b) of the Code solely because such expenses are subject to a limit related to the period the arrangement is in effect and (c) such payments shall be made on or before the last day of the taxable year following the taxable year in which you incurred the expense.

A termination of employment shall not be deemed to have occurred for purposes of any provision of this Agreement providing for the payment of any amounts or benefits upon or following a termination of employment unless such termination constitutes a “Separation from Service” within the meaning of Section 409A and, for purposes of any such provision of this Agreement references to a “termination,” “termination of employment” or like terms shall mean Separation from Service.

Each installment payable hereunder shall constitute a separate payment for purposes of Treasury Regulation Section 1.409A-2(b), including Treasury Regulation Section 1.409A-2(b)(2)(iii). Each payment that is made within the terms of the “short-term deferral” rule set forth in Treasury Regulation Section 1.409A-1(b)(4) is intended to meet the “short-term deferral” rule. Each other payment is intended to be a payment upon an involuntary termination from service and payable pursuant to Treasury Regulation Section 1.409A-1(b)(9)(iii), et. seq., to the maximum extent permitted by that regulation, with any amount that is not exempt from Code Section 409A being subject to Code Section 409A.

Notwithstanding anything to the contrary in this Agreement, if Employee is a “specified employee” within the meaning of Section 409A at the time of Employee’s termination, then only that portion of the severance and benefits payable to Employee pursuant to this Agreement, if any, and any other severance payments or separation benefits which may be considered deferred compensation under Section 409A (together, the “Deferred Compensation Separation Benefits”), which (when considered together) do not exceed the Section 409A Limit (as defined herein) may be made within the first six (6) months following Employee’s termination of employment in accordance with the payment schedule applicable to each payment or benefit. Any portion of the Deferred Compensation Separation Benefits in excess of the Section 409A Limit otherwise due to Employee on or within the six (6) month period following Employee’s termination will accrue during such six (6) month period and will become payable in one lump sum cash payment on the date six (6) months and one (1) day following the date of Employee’s termination of employment. All subsequent Deferred Compensation Separation Benefits, if any, will be payable in accordance with the payment schedule applicable to each payment or benefit. Notwithstanding anything herein to the contrary, if Employee dies following termination but prior to the six (6) month anniversary of Employee’s termination date, then any payments delayed in accordance with this paragraph will be payable in a lump sum as soon as administratively practicable after the date of Employee’s death and all other Deferred Compensation Separation Benefits will be payable in accordance with the payment schedule applicable to each payment or benefit.

For purposes of this Agreement, "Section 409A Limit" will mean a sum equal (x) to the amounts payable prior to March 15 following the year in which Employee terminations plus (y) the lesser of two (2) times: (i) Employee's annualized compensation based upon the annual rate of pay paid to Employee during the Corporation's taxable year preceding the Corporation's taxable year of Employee's termination of employment as determined under Treasury Regulation 1.409A-1(b)(9)(iii)(A)(1) and any IRS guidance issued with respect thereto; or (ii) the maximum amount that may be taken into account under a qualified plan pursuant to Section 401(a)(17) of the Code for the year in which Employee's employment is terminated.

12. Miscellaneous.

a. The Employee acknowledges that the services to be rendered by him under the provisions of this Agreement are of a special, unique and extraordinary character and that it would be difficult or impossible to replace such services. Accordingly, the Employee agrees that any breach or threatened breach by him of Sections 8 or 9 of this Agreement shall entitle the Corporation, in addition to all other legal remedies available to it, to apply to any court of competent jurisdiction to seek to enjoin such breach or threatened breach. The parties understand and intend that each restriction agreed to by the Employee hereinabove shall be construed as separable and divisible from every other restriction, that the unenforceability of any restriction shall not limit the enforceability, in whole or in part, of any other restriction, and that one or more or all of such restrictions may be enforced in whole or in part as the circumstances warrant. In the event that any restriction in this Agreement is more restrictive than permitted by law in the jurisdiction in which the Corporation seeks enforcement thereof, such restriction shall be limited to the extent permitted by law. The remedy of injunctive relief herein set forth shall be in addition to, and not in lieu of, any other rights or remedies that the Corporation may have at law or in equity.

b. Neither the Employee nor the Corporation may assign or delegate any of their rights or duties under this Agreement without the express written consent of the other; provided however that the Corporation shall have the right to delegate its obligation of payment of all sums due to the Employee hereunder, provided that such delegation shall not relieve the Corporation of any of its obligations hereunder.

c. This Agreement constitutes and embodies the full and complete understanding and agreement of the parties with respect to the Employee's employment by the Corporation, supersedes all prior understandings and agreements, whether oral or written, between the Employee and the Corporation, and shall not be amended, modified or changed except by an instrument in writing executed by the party to be charged. The invalidity or partial invalidity of one or more provisions of this Agreement shall not invalidate any other provision of this Agreement. No waiver by either party of any provision or condition to be performed shall be deemed a waiver of similar or dissimilar provisions or conditions at the same time or any prior or subsequent time.

d. This Agreement shall inure to the benefit of, be binding upon and enforceable against, the parties hereto and their respective successors, heirs, beneficiaries and permitted assigns.

e. The headings contained in this Agreement are for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

f. All notices, requests, demands and other communications required or permitted to be given hereunder shall be in writing and shall be deemed to have been duly given when personally delivered, sent by registered or certified mail, return receipt requested, postage prepaid, or by private overnight mail service (e.g. Federal Express) to the party at the address set forth above or to such other address as either party may hereafter give notice of in accordance with the provisions hereof. Notices shall be deemed given on the sooner of the date actually received or the third business day after sending.

g. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York without reference to principles of conflicts of laws and each of the parties hereto irrevocably consents to the jurisdiction and venue of the federal and state courts located in the State of New York.

h. This Agreement may be executed simultaneously in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one of the same instrument. The parties hereto have executed this Agreement as of the date set forth above.

DRONE AVIATION HOLDING CORP.

NONQUALIFIED STOCK OPTION AGREEMENT

This **NONQUALIFIED STOCK OPTION AGREEMENT** (the "Option Agreement"), dated as of **May 18, 2015** (the "Grant Date"), is between Drone Aviation Holding Corp., a Nevada corporation (the "Company"), and _____ (the "Optionee"), a director, officer or employees of, or consultant or advisor to, the Company or a Subsidiary of the Company (a "Related Corporation").

WHEREAS, the Company desires to give the Optionee the opportunity to purchase shares of common stock of the Company, par value \$0.0001 ("Common Shares");

NOW, THEREFORE, in consideration of the mutual covenants hereinafter set forth and for other good and valuable consideration, the parties hereto, intending to be legally bound hereby, agree as follows:

1. **Grant of Option.** The Company hereby grants to the Optionee the right and option (the "Option") to purchase all or any part of an aggregate of **One Million (1,000,000) Common Shares**. The Option is in all respects limited and conditioned as hereinafter provided. The Option granted hereunder is intended to be a nonqualified stock option ("NQSO") and not an incentive stock option ("ISO") as such term is defined in section 422 of the Internal Revenue Code of 1986, as amended (the "Code").
2. **Exercise Price.** The exercise price of the Common Shares covered by this Option shall be **\$0.15 per share**, which exceeds the fair market value of a Common Share, as determined by a valuation report issued by Applied Economics dated March 19, 2015.
3. **Term.** Unless earlier terminated pursuant to any provision of this Option Agreement, this Option shall **expire on May 18, 2018** (the "Expiration Date"), which date is not more than 10 years from the Grant Date. This Option shall not be exercisable on or after the Expiration Date.
4. **Exercise of Option.** The Option shall be **fully vested** on the Grant Date. The Committee may accelerate any vesting date of the Option, in its discretion, if it deems such acceleration to be desirable. Once the Option becomes exercisable, it will remain exercisable until it is exercised or until it terminates.
5. **Method of Exercising Option.** Subject to the terms and conditions of this Option Agreement, the Option may be exercised by written notice to the Company at its principal office. The form of such notice is attached hereto and shall state the election to exercise the Option and the number of whole shares with respect to which it is being exercised; shall be signed by the person or persons so exercising the Option; and shall be accompanied by payment of the full exercise price of such shares. Only full shares will be issued.

The exercise price shall be paid to the Company:

- (a) in cash, or by certified check, bank draft, or postal or express money order;
- (b) through the delivery of Common Shares previously acquired by the Optionee;
- (c) by delivering a properly executed notice of exercise of the Option to the Company and a broker, with irrevocable instructions to the broker promptly to deliver to the Company the amount necessary to pay the exercise price of the Option;
- (d) in Common Shares newly acquired by the Optionee upon exercise of the Option; or
- (e) in any combination of (a), (b), (c) or (d) above.

In the event the exercise price is paid, in whole or in part, with Common Shares, the portion of the exercise price so paid shall be equal to the Fair Market Value of the Common Shares surrendered on the date of exercise.

Upon receipt of notice of exercise and payment, the Company shall deliver a certificate or certificates representing the Common Shares with respect to which the Option is so exercised. The Optionee shall obtain the rights of a shareholder upon receipt of a certificate(s) representing such Common Shares.

Such certificate(s) shall be registered in the name of the person so exercising the Option (or, if the Option is exercised by the Optionee and if the Optionee so requests in the notice exercising the Option, shall be registered in the name of the Optionee and the Optionee's spouse, jointly, with right of survivorship), and shall be delivered as provided above to, or upon the written order of, the person exercising the Option. In the event the Option is exercised by any person after the death or disability (as determined in accordance with Section 22(e)(3) of the Code) of the Optionee, the notice shall be accompanied by appropriate proof of the right of such person to exercise the Option. All Common Shares that are purchased upon exercise of the Option as provided herein shall be fully paid and non-assessable.

Upon exercise of the Option, Optionee shall be responsible for all employment and income taxes then or thereafter due (whether Federal, State or local), and if the Optionee does not remit to the Company sufficient cash (or, with the consent of the Committee, Common Shares) to satisfy all applicable withholding requirements, the Company shall be entitled to satisfy any withholding requirements for any such tax by disposing of Common Shares at exercise, withholding cash from Optionee's salary or other compensation or such other means as the Committee considers appropriate to the fullest extent permitted by applicable law. Nothing in the preceding sentence shall impair or limit the Company's rights with respect to satisfying withholding obligations consistent with applicable law.

6 . Non-Transferability of Option. This Option is not assignable or transferable, in whole or in part, by the Optionee other than by will or by the laws of descent and distribution. During the lifetime of the Optionee, the Option shall be exercisable only by the Optionee or, in the event of his or her disability, by his or her guardian or legal representative.

7 . Change in Control. (a) For purposes of this Option Agreement, unless otherwise defined in an agreement between the Company and the Optionee, a Change in Control shall be deemed to have occurred if:

(i) a tender offer (or series of related offers) shall be made and consummated for the ownership of 50% or more of the outstanding voting securities of the Company, unless as a result of such tender offer more than 50% of the outstanding voting securities of the surviving or resulting corporation shall be owned in the aggregate by the stockholders of the Company (as of the time immediately prior to the commencement of such offer), any employee benefit plan of the Company or its subsidiaries, and their affiliates;

(ii) the Company shall be merged or consolidated with another corporation, unless as a result of such merger or consolidation more than 50% of the outstanding voting securities of the surviving or resulting corporation shall be owned in the aggregate by the stockholders of the Company (as of the time immediately prior to such transaction), any employee benefit plan of the Company or its subsidiaries, and their affiliates;

(iii) the Company shall sell substantially all of its assets to another corporation that is not wholly owned by the Company, unless as a result of such sale more than 50% of such assets shall be owned in the aggregate by the stockholders of the Company (as of the time immediately prior to such transaction), any employee benefit plan of the Company or its subsidiaries and their affiliates; or

(iv) a person (as defined below) shall acquire 50% or more of the outstanding voting securities of the Company (whether directly, indirectly, beneficially or of record), unless as a result of such acquisition more than 50% of the outstanding voting securities of the surviving or resulting corporation shall be owned in the aggregate by the stockholders of the Company (as of the time immediately prior to the first acquisition of such securities by such person), any employee benefit plan of the Company or its subsidiaries, and their affiliates.

(b) If, at any time, the Company shall effect a Change in Control transaction, then, on the date of the occurrence of such Change in Control transaction, the Option shall immediately vest.

(c) Notwithstanding the foregoing, if Change in Control is defined in an agreement between the Company and the Optionee, then, with respect to such Optionee and the Option, Change in Control shall have the meaning ascribed to it in such agreement.

8 . Termination of Employment. If the Optionee's employment with or service to the Company and all Related Corporations is terminated by the Optionee for any reason other than death, Disability, Normal or Early Retirement or Good Reason (as defined below), the Option shall thereupon terminate, except that the portion of any Option that was exercisable on the date of such termination of employment or service may be exercised for the lesser of **thirty (30) days** after the date of termination or the balance of such Option's term, which ever period is shorter. The transfer of an Optionee from the employ of or service to the Company to the employ of or service to a Related Corporation, or vice versa, or from one Related Corporation to another, shall not be deemed to constitute a termination of employment or service for purposes of the Option Agreement.

(a) In the event that the Optionee's employment or service with the Company and all Related Corporations is terminated by the Company or any Related Corporations for "cause" any unexercised portion of any Option shall immediately terminate in its entirety. For purposes hereof, unless otherwise defined in an employment agreement between the Company and the Optionee, "Cause" shall exist upon a good-faith determination by the Board of Directors, following a hearing before the Board of Directors at which the Optionee was represented by counsel and given an opportunity to be heard, that such Optionee has been accused of fraud, dishonesty or act detrimental to the interests of the Company or any Related Corporation of Company or that the Optionee has been accused of or convicted of an act of willful and material embezzlement or fraud against the Company or of a felony under any state or federal statute; provided, however, that it is specifically understood that "Cause" shall not include any act of commission or omission in the good-faith exercise of the Optionee's business judgment as a director, officer or employee of the Company, as the case may be, or upon the advice of counsel to the Company. Notwithstanding the foregoing, if Cause is defined in an employment agreement between the Company and the Optionee, then, with respect to such Optionee, Cause shall have the meaning ascribed to it in such employment agreement.

(b) In the event that an Optionee is removed as a director, officer or employee by the Company at any time other than for "Cause" or resigns as a director, officer or employee for "Good Reason" the Option granted to such Optionee may be exercised by the Optionee, to the

extent the Option was exercisable on the date such Optionee ceases to be a director, officer or employee. Such Option may be exercised at any time within **ninety (90)** days after the date the Optionee ceases to be a director, officer or employee, or the date on which the Option otherwise expires by its terms; whichever period is shorter, at which time the Option shall terminate; provided, however, if the Optionee dies before the Option terminates and is no longer exercisable, the terms and provisions of Section 11 shall control. For purposes of this Section 8(b), and unless otherwise defined in an employment agreement between the Company and the relevant Optionee, Good Reason shall exist upon the occurrence of the following:

(A) the assignment to Optionee of any duties inconsistent with the position in the Company that Optionee held immediately prior to the assignment;

(B) a Change in Control resulting in a significant adverse alteration in the status or conditions of Optionee's participation with the Company or other nature of Optionee's responsibilities from those in effect prior to such Change in Control, including any significant alteration in Optionee's responsibilities immediately prior to such Change in Control; and

(C) the failure by the Company to continue to provide Optionee with benefits substantially similar to those enjoyed by Optionee prior to such failure.

Notwithstanding the foregoing, if Good Reason is defined in an employment agreement between the Company and the relevant Optionee, then, with respect to such Optionee, Good Reason shall have the meaning ascribed to it in such employment agreement.

9 . Disability. If the Optionee's employment with or service to the Company and all Related Corporations terminates by reason of Disability (as defined below), then any Option held by the Optionee may thereafter be exercised, to the extent it was exercisable at the time of termination due to Disability (or on such accelerated basis as the Committee shall determine at or after grant), but may not be exercised after ninety (90) days after the date of such termination of employment or service or the expiration of the stated term of such Option, whichever period is shorter; provided, however, that, if the Optionee dies within such ninety (90) day period, any unexercised Option held by the Optionee shall thereafter be exercisable to the extent to which it was exercisable at the time of death for a period of one (1) year after the date of such death or for the stated term of such Option, whichever period is shorter. "Disability" shall mean an Optionee's total and permanent disability; provided, that if Disability is defined in an employment agreement between the Company and the Optionee, Disability shall have the meaning ascribed to it in such employment agreement.

10. Retirement. If the Optionee's employment with or service to the Company and all Related Corporations terminates by reason of Normal or Early Retirement (as such terms are defined below), the Option held by the Optionee may thereafter be exercised to the extent it was exercisable at the time of such Retirement, but may not be exercised after ninety (90) days after the date of such termination of employment or service or the expiration of the stated term of such Option, whichever date is earlier; provided, however, that, if the Optionee dies within such ninety (90) day period, any unexercised Option held by such Optionee shall thereafter be exercisable, to the extent to which it was exercisable at the time of death, for a period of one (1) year after the date of such death or for the stated term of such Option, whichever period is shorter.

For purposes of this Section 10, "Normal Retirement" shall mean retirement from active employment with the Company or any Subsidiary on or after the normal retirement date specified in the applicable Company or Subsidiary pension plan or if no such pension plan, age 65, and "Early Retirement" shall mean retirement from active employment with the Company or and Related Corporations pursuant to the early retirement provisions of the applicable Company or and all Related Corporations pension plan or if no such pension plan, age 55.

11 . Death. If the Optionee's employment with or service to the Company and all Related Corporations terminates by reason of death, the Option may thereafter be exercised, to the extent then exercisable (or on such accelerated basis as the Committee shall determine at or after grant), by the legal representative of the estate or by the legatee of the Optionee under the will of the Optionee, for a period of one (1) year after the date of such death.

12. Securities Matters. (a) If, at any time, counsel to the Company shall determine that the listing, registration or qualification of the Common Shares subject to the Option upon any securities exchange or under any state or federal law, or the consent or approval of any governmental or regulatory body, or that the disclosure of non-public information or the satisfaction of any other condition is necessary as a condition of, or in connection with, the issuance or purchase of Common Shares hereunder, such Option may not be exercised, in whole or in part, unless such listing, registration, qualification, consent or approval, or satisfaction of such condition shall have been effected or obtained on conditions acceptable to the Board of Directors. The Company shall be under no obligation to apply for or to obtain such listing, registration or qualification, or to satisfy such condition. The Committee shall inform the Optionee in writing of any decision to defer or prohibit the exercise of an Option. During the period that the effectiveness of the exercise of an Option has been deferred or prohibited, the Optionee may, by written notice, withdraw the Optionee's decision to exercise and obtain a refund of any amount paid with respect thereto.

(b) The Company may require: (i) the Optionee (or any other person exercising the Option in the case of the Optionee's death or Disability) as a condition of exercising the Option, to give written assurances, in substance and form satisfactory to the Company, to the effect that such person is acquiring the Common Shares subject to the Option for his or her own account for investment and not with any present intention of selling or otherwise distributing the same, and to make such other representations or covenants; and (ii) that any certificates for Common Shares delivered in connection with the exercise of the Option bear such legends, in each case as the Company deems necessary or appropriate, in order to comply with federal and applicable state securities laws, to comply with covenants or representations made by the Company in connection with any public offering of its Common Shares or otherwise. The Optionee specifically understands and agrees that the Common Shares, if and when issued upon exercise of the Option, may be "restricted securities," as that term is defined in Rule 144 under the Securities Act of 1933 and, accordingly, the Optionee may be required to hold the shares indefinitely unless they are registered under such Securities Act of 1933, as amended, or an exemption from such registration is available.

(c) The Optionee shall have no rights as a shareholder with respect to any Common Shares covered by the Option (including, without limitation, any rights to receive dividends or non-cash distributions with respect to such shares) until the date of issue of a stock certificate to the Optionee for such Common Shares. No adjustment shall be made for dividends or other rights for which the record date is prior to the date such stock certificate is issued.

1 3 . Governing Law. This Option Agreement shall be governed by the applicable Code provisions to the maximum extent possible. Otherwise, the laws of the State of Nevada (without reference to the principles of conflict of laws) shall govern the Option and the rights of the Optionee.
